-On Tuesday of this week we gathered as a whole school for clerical worship led by Mrs Burgess and our new Ethos and Worship team – the children did a wonderful job and Elaine spoke to us about manners, we spoke about three very important words 'please', 'sorry' and 'thank you'.

-Year 2 have been learning about animals and their offspring in Science and partitioning into tens and ones in Maths.

- Year 3 have had another busy week in English and in French! In French, we have been asking each other "How are you?" and practising simple conversations.

-Year 4 children have been very busy, they have experimented with colour in Art, sequenced events in History and learnt what happens to our food when we eat.

- Year 5 have been very busy this week with Mrs B understanding Palm Oil and the effects linking to their class text 'There's a Rang-Tan in my bedroom!'

Well done to our wonderful Ethos and Worship Group it is pleasure to see you lead us in worship and live life in all its fullness– keep it up.

💚🍫🍰 A Sweet Success! Thank you for supporting Macmillan Cancer Support. 💚🍫🍰

A huge thank you to all our parents and carers for your wonderful support of our **Macmillan Coffee Morning**. Whether you kindly donated cakes, sent your child with 50p to purchase a sweet treat, or joined us to enjoy the event, your generosity and support were greatly appreciated. Events like these are only possible because of the kindness and commitment of our school community, and we are incredibly grateful for every contribution. Thank you for helping us raise money for such an important cause and for making the morning such a success. Keep an eye on next week's newsletter, where we will share the total amount raised in support of **Macmillan Cancer Support**. Thank you once again for your fantastic support.

St George's School Council: Planning for Success

On Monday 21st September 2026, our School Council met with Miss Holt for the first time this academic year. It was wonderful to bring together our newly elected representatives and begin discussing ways in which they can continue to make a positive contribution to school life. During the meeting, the School Council shared lots of exciting ideas and worked together to make plans for our Macmillan Coffee Morning, which will take place this Friday. Members discussed how they can help to promote the event and encourage our school community to get involved as we raise money for this very worthwhile cause. We are looking forward to sharing more of the School Council's work throughout the year and are excited about the initiatives they have already begun planning. Don't forget to take a look at our brand-new School Council Newsletter, where you can find out more about our representatives, their responsibilities and the exciting projects they will be leading this year!
