St George's C of E School

St George's CE Primary

Newsletter 7 – Friday 16th October 2026

What has been happening in school this week:-

-All children in school have been busy making and creating an autumnal leaf design ready for the school council visit to Woodlands Care Home on Monday – Miss Holt led the next School Council Meeting today – see social media and our school website for our next newsletter!

-Mrs Smith and Miss Follows took some children from Upper Key Stage Two to take part in a Panathlon event on Thursday of this week, children showed resilience and perseverance throughout the morning and were a pleasure to spend time with! Well done to all involved.

-Nursery have been creating beautiful autumn leaves that the school council will deliver to Woodlands Care Home next week.

- This week, Reception have been learning about families and exploring how every family is unique and special. The children have enjoyed talking about their own family and learning about different ways families care for each other.

-This week, Y1 this week, they have started work on our van Gogh inspired 'Seascape' paintings!

- Year 2 have been writing explanations of the Great fire of London and comparing numbers.

- Year 3 have been busy in Art, they have been mixing warm and cool colours and exploring complementary colours.

- In Year 4 the egg investigation came to a close... the smell forced us to observe the results and coke and orange juice damaged the eggs the most. We have published writing about dragons and have been learning to round numbers.

- Year 5 and Year 6 put their cooking skills to the test this week as they enjoyed their 'I Taste India' day – they created and tasted a wonderful vegetable curry – see social media and newsletter for updates.

Diary Dates	
Date	Event

Hallie, Lillie, Leo, Archie, Lucas, Thea, Avery, Emily and Baran

British Values Award.
Children who demonstrated an understanding of Mutual Respect, Democracy and Perseverance within and around school:-
Benjamin, Nova, Frankie, Orla, Francesca, Darcie, Bethan, Ruby and Joshua

Head Teachers' Award

Theo - you have been working so hard to carry on your learning at home as well as in school too. We are so very proud of you.

Thomas - You are a lovely, kind boy who can be relied upon to always work hard and try your best. You are one of our golden children who always do the right thing. Keep it up!

Alfie C – Resilience and perseverance beyond measure no matter what life throws at you, nothing gets you down. You face everything with a smile and make us all so proud each and every day! Keep being you and never let anything dull the Alfie C sparkle.

🚀🍾 3, 2, 1… Blast Off!
An Explosive Morning of Mad Science!
✨🌎

🚀🧪What an incredible Wednesday morning we had with Explosive Erica from Mad Science! We were amazed by explosive experiments as we learned all about rockets, rocket fuel and the exciting journey to Mars. The children were completely wowed and discovered so many fascinating facts along the way!

🌎✨There will be a Mad Science Club running after school on Thursday nights next half-term. See letter that was sent home on Wednesday of last week for all additional details or contact Mrs Finch in our school office.

💻🌟 Introducing our NEW Digital Leaders! 🌟💻

We're excited to launch our very first Digital Leaders! 🎉 Our Digital Leaders will be helping and supporting children, particularly in our younger year groups, as we continue to develop our use of technology across school. They will be sharing their knowledge, helping others to use technology confidently and responsibly - becoming our very own digital experts! 📱 Look out for their online safety tips on our Facebook page and their new **termly Digital Newsletter**, sharing all things digital! We're so proud of our Digital Leaders and can't wait to see what they achieve! 🌟

A huge well done to our St George's pupils who attended church on Sunday and took part in the Harvest Worship. It was wonderful to see our children representing our school so brilliantly, sharing their time, talents and faith with the church community.

We are incredibly proud of the way they embraced this opportunity, showing kindness, confidence and a willingness to serve others. They truly demonstrated wh it means to live life in all its fullness.

Well done! You were a credit to our school.

A Taste of India in Upper Key Stage Two

On Monday, our Year 5 and 6 children enjoyed an exciting I Taste India day! The children explored the flavours of Indian cuisine and got hands-on in the kitchen, creating their very own vegetable curry.

They had great fun preparing their ingredients, discovering new flavours and, of course, tasting their delicious creations! It was a fantastic opportunity to develop their cooking skills, try something new and learn more about food from different cultures. Well done, everyone, for embracing the experience with such enthusiasm!

⛪ Year 5 Lead Cluster Church Worship

On Wednesday morning, Year 5 joined pupils from other local schools at St Bartholomew's Church to lead our cluster worship, reflecting on and giving thanks for God's wonderful creation.

Our children were a credit to the school, behaving impeccably, and two of our pupils read beautifully. We are very proud of them all!

A big thank you to our church family for inviting us to share in this special time of worship. 💚
