Multiplication Tables Check

Children in year 4 complete the MTC in June. The purpose of the check is to determine whether children are fluent in their recall of times tables. This is essential for future success in mathematics. It also helps to identify which children need additional support. It is an on- screen check consisting of 25 times table questions. The children have 6 seconds to answer each question. There is no pass mark for the check.

2022-2023						2023-2024					
Number in Year 4:- 41	Less than 10	10-14	15- 19	20-24	25	Number in Year 4:- 33	Less than 10	10-14	15- 19	20-24	25
