## St George's CE Primary

Newsletter 10 – Friday 21st November 2025

What has been happening in school this week:-

Miss Holt led the school in Clerical Worship this week – we shared the story of the 'Burning Bush' together before reflecting on the morals of the Bible story and thinking about how we can be effective leaders.

In Nursery children have been exploring birthdays and how we celebrate them. The children have enjoyed using playdough to create birthday cakes and cupcakes and they've been developing their scissor skills by cutting out candles to decorate their cakes. The home corner has been transformed into a birthday party space where the children have loved singing "Happy Birthday" to each other, baking pretend cakes and joining in with party games.

This week, Year 1 enjoyed a very exciting 'Toy Day' as part of our History topic on 'Toys from the past and present'. The children loved bringing in a toy from home and sharing it with their friends.

Year 5 have created contour models in Geography. They learned how contour lines join land at the same height above sea level and that the closer the lines are together, the steeper the slope will be!

Year 5 and Year 6 boys represented our school brilliantly at a school football competition this week with Miss Fairbank and Mrs Smith – the children represented school fabulously and were a credit to the St George's school community.

Year 6 have been busy experimenting with chalk pastel techniques – see social media for updates.

### **It's time to fly with St George's airlines....**

Last Thursday we officially launched our brand new 50 Things Passport — and what an adventure it was! ✈️

Our hall was transformed into an airport terminal as pupils "boarded" Flight 50 Things ready for a year filled with challenges, exploration and discovery.

From guessing games to a special video of the adventures ahead, children were fully immersed in the magic of trying new things. Every pupil received their own 50 Things Passport, and they will collect their very first stamp for raising money for charity as a result of our Children in Need fundraiser last week! 🇬🇧

A huge thank you to our amazing cabin crew (staff team) for bringing the adventure to life — from welcoming pupils at the 'departure gate' to delivering passports in true airline style. You made the experience unforgettable!

We can't wait to see the memories children make, the skills they build and the confidence they grow as they complete their 50 adventures — big and small as they move through their journey at St. George's.

### **It's beginning to look a lot like Christmas at St George's Primary School...**

Our Christmas Dinner is now open to all pupils, including those who usually have packed lunches. The cost is £2.65, payable via the "St George's School Meals" item on ParentPay.

We will also be having Christmas Party Food in the school hall on 18th December, also available to children who usually have packed lunches, this will be a lovely treat for children on the return from the pantomime! The cost is £2.65 and will be added to ParentPay.

### **Spreading Christmas Joy in the style of John 10:10**

We are incredibly proud to share a wonderful example of kindness from two of our St George's children. Over the past few months, they carefully saved up their pocket money—not for themselves, but to help others.

This week, they chose to use their savings to take part in Dunelm's "Delivering Joy" initiative. Thanks to their generosity, three children will now receive Christmas gifts who may otherwise have gone without.

Their thoughtfulness and compassion shine as a beautiful example of our school vision in action—living life in all its fullness. By giving joy to others, they have shown how small acts of love can make a big difference.

We celebrate their kindness and hope their actions inspire all of us to look for ways to bring joy, hope and generosity into our community this Christmas.
