What has been happening in school this week:-

-We had a very special visitor in school this week as “Dennis” the hedgehog appeared in our school playground. Well done to all children in Year 3 who looked after our friend and lived life in all its fullness!

- In Year 1, children have been naming the four countries that make up the UK.

- Year 2 have been exploring the causes of the Great fire of London in History and in science investigating if older people have a bigger shoe size.

-Art Club is now well under way for those children in Lower Key Stage Two who have chosen to take part. This week children got busy making and creating an autumnal tree ready for paint next week – keep your eyes peeled on social media to share in the wonderful creations!

Dyslexia Awareness Week 2025

Monday 6 October #DAW25 kicks off with the theme 'Raise the Volume'.

This year's theme will focus on the voices of young people with dyslexia – their stories, challenges, and successes. By "raising the volume," we want to make sure their experiences are heard loud and clear in schools, families, workplaces, and beyond. At St George's Primary School we are proud to support this week – see social media for updates.
