Macmillan Coffee Morning – Thank You!

A heartfelt thank you to all the parents, carers and members of our wider school community who joined us for our annual Macmillan Coffee Morning. Your presence and support made it a truly special event. We are especially grateful to everyone who donated delicious cakes and treats and to the wonderful helpers who gave their time to make the morning run so smoothly. A huge well done also goes to our children, whose beautiful singing performances were a real highlight – you made us all proud! This week, our pupils have truly lived out our gospel value of *compassion* as well as our all-important school vision, coming together to support a cause that touches so many lives. Together, as the St George's family, we have raised vital funds for Macmillan Cancer Support – thank you for helping us make a difference.

On Thursday, we finally got to take part in the cross country event at Moss Bank Park after last week's rain 'stopped play' – it was so exciting to finally represent our school! The course was really muddy but that just made it more fun – I was slipping, sliding and laughing the whole way round. Everyone from our school gave it their best and had a brilliant time getting stuck in (the mud quite literally)! Sports Report by Year 6 Prefect: Charlie

Introducing St George's School Council 2025-2026...

The children of St George's Primary School have put the British Value of Democracy into action over the last few weeks, holding votes in classes for our school council representatives. Individuals met with Miss Holt today for the first time this academic year and we cannot wait to make lots of positive changes around school.

Our first meeting involved a meet and greet of the councillors who will be working alongside each other this academic year. The School Council then got busy and planned and prepared for the 'Wear Pink Day for Breast Cancer Now' which is set to take place on Friday 24th October 2025 – the final day of this half term. See the school website for a full meeting agenda.

Eco Club in Action!

Our ongoing Eco Club met with Miss Fairbank this Monday and discussed the idea of a non-uniform day (wear blue and green) in Autumn Term 2 to raise money for some planters and plants. Further information to follow. Children also discussed the various Eco-Friendly practices that could be adopted both in the classroom and at home, some of the ideas were as follows: Turn off lights, don't litter, effective use of paper bin in classrooms and avoid leaving taps running.
