

St George's C of E School

St George's CE Primary

Newsletter 2 – Friday 19th September 2025

What has been happening in school this week:-

-This week we introduced the whole school to our new Head Students, Ethos and Worship group and for the first time... our Year 6 Prefects! Mr Young led a special worship in school explaining the importance of these roles and responsibilities and it was our pleasure to celebrate these children. We cannot wait to see the wonderfully positive impact you will make this academic year.

-Miss Holt and Mrs Burchill enjoyed the first Art Club of the Autumn Term – children spotted signs of nature before going on to make, create and decorate their very own sun catchers to spread a smile in the local community.

-Year 3 have enjoyed a wide range of practical Maths activities this week understanding tens and one when partitioning and adding numbers.

- Year 5 found a break in the rain this week and enjoyed 'Art in the Great Outdoors' as part of their Outdoor Learning activity – see Facebook for updates.

- In Science this week Year 6 ventured outdoors with Miss Holt we searched for creatures in their natural environments before returning to the classroom in order to produce; a detailed sketch of the creature, observed characteristics and as a result, the classification.

As we approach autumn and winter, we will inevitably see a rise in children feeling unwell. For NHS-recommended advice on common childhood illnesses and guidance on when your child should stay off school, visit:- <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

We need you!

We are looking for parent and carer helpers to support the running of our **Macmillan Coffee Morning**. This is a wonderful opportunity to come together with other parents, enjoy a slice of cake and raise money for a fantastic cause. There will be special performances at **9.30am and 10.00am on Friday 26th September** and we'd love to see as many of you there as possible. If you're able to donate cakes, please bring them into school on **Thursday 25th September 2025**. Thank you in advance for your kindness and support!

It's time for a Macmillan Coffee Morning and you're invited

Let's do whatever it takes

Art Club in Action!

Miss Holt and Mrs Burchill's Art Club were very busy on Tuesday evening of this week. Children started off by enjoying a brain break and spotting signs of nature before coming inside to create our wonderful sun catcher creations to help spread a smile in the local community. St George's teaching staff were very impressed with all the wonderful creations of the children in Years 3 and 4.

On Thursday 11th September 2025, we went to Westhoughton Lions for a tag rugby tournament. We got off to a flying start by winning our first game with great teamwork. In our second match we battled hard and finished with a well-earned draw.

1:1 READERS NEEDED

Volunteers will need to be
16 years + and subject to a
DBS check carried out
by the school.

Reading is so important for primary children.
You could be the person
that makes the
difference in
a child's life.

VOLUNTEER TODAY!

Reading is one of the most important skills children develop in primary school and having regular 1:1 reading time makes a huge difference to their progress and confidence. When children read individually with an adult, they not only improve their fluency and understanding, but also build a real love of books and learning. Volunteers often find the experience just as rewarding, enjoying the chance to support children directly and see their growth over time. If you have some time to spare and would like to make a positive impact in our school community, we would love to hear from you. Please contact the school office for more information about becoming a reading volunteer.
