We are delighted to share that, together, we raised an amazing £201.76 for the Poppy Appeal last year.

Thank you to all our families, staff and children who donated and supported this important cause. Your generosity helps to support veterans and their families and ensures we continue to remember and give thanks for those who have served.

At St George's, living out our value of Thankfulness means remembering the sacrifices made for the freedoms we enjoy today.

Living Life in All Its Fullness – Year 6 at St Bart's Church

Year 6 were invited to attend worship at St Bart's Church on Wednesday morning, joining other schools within our cluster. The children represented our school exceptionally well; members of the congregation commented on how polite, respectful and smart our Year 6 cohort were throughout the service.

We are especially proud of those pupils who chose to play an active role in the worship. Their confidence and willingness to contribute demonstrated courage, service and community spirit in action. See social media for further pictures.

Through their exemplary behaviour and participation, Year 6 truly lived out our vision of "life in all its fullness" (John 10:10), showing respect, responsibility and pride in belonging to our school community. We are incredibly proud of each and every one of them.

We would like to inform you that we are aware some families experienced initial issues accessing **Eduspot**. Mrs Finch, our School Secretary, has been in direct contact with Eduspot to troubleshoot these early problems. We are pleased to say that for many families, these issues should now be resolved. If you are still experiencing any difficulties or require further assistance, please email the school office at office@st-georges.bolton.sch.uk, including your preferred contact email address so we can support you as quickly as possible. Thank you for your patience and understanding.

Just a friendly reminder...

Year 6 Parents' Evening...

Miss Holt and Miss Fairbank look forward to welcoming all parents from Year 6 next week to update you on your child's progress and attainment.
